Profile

Student in **Computer Science at ENSEEIHT**, passionate about programming and modeling.

My rigorous academic background and practical experience have allowed me to combine **scientific analysis, creativity, and practical skills**. I have strong adaptability and excellent team spirit, thriving both in academic and professional environments.

Education

2025–Present **Engineering Program – Computer Science**, INP-ENSEEIHT, Toulouse. Main courses: imperative programming (Ada), modeling, optimization, probability, integration, formal proofs (CoqIDE), scientific computing (MATLAB).

2023–2025 **Preparatory Classes MPSI/MP**, Lycée Mohammed VI d'Excellence, Casablanca. Multidisciplinary program for engineering competitions: mathematics, physics, computer science (Python, C).

2023 **Baccalaureate in Mathematics B**, Lycée Anisse, Casablanca – Highest honors. Top of class, excellent scientific training and analytical skills.

Experience and Projects

2025 **Student Job – General Assistant, Acima Casablanca.** Learned the internal functioning of a company and interacted with customers. Developed communication, organization, time management, and teamwork skills.

2025 **Project: Interactive Multiplication Table, ENSEEIHT.** Developed a program in Ada to help children practice multiplication tables interactively.

2024 **Observation Internship in Laboratory, Lycée Mohammed VI d'Excellence.** Observed research processes and gained exposure to simulation and numerical analysis tools.

Skills

</> Programming	Ada, Python, C, MATLAB, SQL, HTML/CSS
🖥 Tools	Git, Linux, VS Code, CoqIDE, MATLAB, LaTeX
🧮 Mathematics	Optimization, modeling, probability, integration, analysis
🗇 Methods	Imperative programming, advanced algorithms, Agile project management
👥 Soft Skills	Communication, rigor, adaptability, leadership, teamwork, autonomy, service mindset

Languages

French	Fluent
Arabic	Native
English	Fluent
German	Basic knowledge

Activities and Engagement

✋ Charity Club	Organized charitable events, coordinated educational and humanitarian activities.
⚽ Sports	Football and swimming; participated in inter-school tournaments, promoting discipline and team spirit.
